EVALUATION REPORT

Name : MOORE, Richard Paul
Country : Sri Lanka

Date: May 18, 1993
Ref: 8257/JLH

Purpose of Evaluation: General.

1. Certified copies of the Final Transcript and the Certificate of Coursework Completion for the Doctorate of Philosophy (PhD) from the Open International University for Complementary Medicines in Sri Lanka listing the courses completed by Richard Paul Moore from the Spring of 1985 through the Fall of 1989, including the credits and grade for each. This document which was dated December 31, 1989 was signed by the Dean of Clinical Studies and is equivalent to a transcript from an accredited college or university in the United States.
2. Official diploma from the Open International University for Complementary Medicines in Sri Lanka certifying that Richard Paul Moore fulfilled the qualifying requirements and was granted the degree of Doctor of Philosophy. This document which was dated October of 1989 was signed by the Chancellor, the Registrar, the Chairman, the Secretary General and Mr. Moore and is equivalent to a doctor of philosophy degree from an accredited college or university in the United States.
3. In summary, it is the judgement of the Foundation that Richard Paul Moore has the equivalent of a doctor of philosophy degree from an accredited college or university in the United States.
4. The Foundation's evaluations serve as suggested guidelines and are advisory in nature. Under no circumstances does the Foundation desire to encroach on the individual autonomy, residence requirements or internal policies of educational institutions.
5. The materials used in this evaluation were A. P. I. E. R. Workshop Report on South Asia and the Commonwealth Universities Yearbook.

Jack L. Hoover
Evaluator

Degrees of The Open International University for Complementary Medicines
have been evaluated as equivalent of the degrees from any accredited
College or University from the United States.
